PHYS4000/6000 (Spring 2007) Course Information

Instructor:

Dr. K. Nakayama
Office: room 219, Physics Building
Email: nakayama@hal.physast.uga.edu

Course Requirements:
Students are expected to attend the departmental weekly colloquium and submit a report on each colloquium.

Colloquium Report:
Each student is required to submit a short report (1-2 pages) on each colloquium. The report should contain what the student has learned from the talk in his/her own words. Reports containing just the outline of the talk will not be accepted. The student may also express his/her opinion on the quality of the talk.

Reports are due on Monday (midnight) following the colloquium. Reports turned in after the deadline will not be accepted. The deadline (Monday, midnight) will be strictly enforced. It is recommended that reports be submitted with enough time to meet the deadline.

A student who fails to turn in the report more than once during the semester will receive an "unsatisfactory" in this course.

Web Page System:
This course information will also be posted on the world wide web. The URL for the page is http://www.physast.uga.edu/courses.html (click on Nakayama)

See also http://www.physast.uga.edu/eventscolll.html for the colloquium schedule.

Grading:
This course is based on the satisfactory/unsatisfactory grading system. A student who fails to turn in the report more than once during the semester will receive an "unsatisfactory" in this course.
